# Work with Leaders in Youth Choir Formation

Plan now to visit the remarkable campus of St. John's University set among a picturesque panorama of lakes, prairie and lush forests. Enjoy the unique environment and buildings dating from the 1860's. Visit the Abbey Church, with its three story stained glass wall, considered one of the striking pieces of 20<sup>th</sup> century architecture in America. Experience the glorious chant singing of Benedictine monks whose dedication to excellence in liturgical music is recognized throughout the world.

- *Participate in master classes, lectures and demonstrations from leading experts in the choral development of young singers. Enjoy a rehearsal and performance with the nationally renowned St. John's Boys' Choir (singers ages 8-18).*
- *Learn from some of the nation's top authorities on young voices at this practical, hands-on seminar.*
- *Explore models of recruitment, organization, and training of youth choirs.*
- *Participate in repertoire reading sessions.*
- *Network with other parish and school choir directors from around the United States.*
